

**Don't miss  
OUR ANNUAL  
OUTDOOR CONCERT!**

**Charlie Zahm  
and Tad Marks**

**Sunday August 29, 2021**

**Hall open 3:30 – 4:45 p.m.  
Concert begins at 5 p.m.**

Bring a picnic, bring your beverages, bring your chairs or blankets, and above all – bring your friends to Primitive Hall to our annual lively and celebratory musical afternoon!

For the seventh summer, we're pleased to announce the return of balladeer Charlie Zahm and fiddler Tad Marks. This popular duo will again play both traditional and original music under the sheltering trees of the beautiful Walnut Grove.

Charlie and Tad perform all over this region – and throughout the country – but they always say that Primitive Hall is one of their favorite venues.

Suggested donation is \$25 per car.

Join them – and us – here in August for another wonderful time!

**Project Updates**

Throughout this hiatus, we have been busy working to maintain our historic property both inside and outdoors.

We continue to care for our majestic trees. Painting on the Springhouse (adjacent to the Hall) has been completed, and interior repairs are underway. Soon we hope to show visitors the ground floor spring and the building's second-floor interior.

Framing repairs have been made to portraits that portray Joseph Pennock, Casper Wistar Pennock, and Caroline Morris Pennock.

And we plan to resume our series of Sampler Lectures in Spring 2022.

**Tours and Visits**

Since we've now been able to once again greet visitors at the Hall, we've welcomed several groups so far this spring and summer.

Visitors receive a personalized guided tour of this remarkable historic 1738 home, and reservations are required.

For information about visiting the Hall, go to [www.primitivehall.org](http://www.primitivehall.org).

**Take a  
Virtual Tour**

If you can't make it to the Hall in person, you can now tour virtually!

This summer, The Decorative Arts Trust (headquartered in Media, PA) filmed an excellent house tour led by Advisory Board member Wendy Cooper. An expert on the decorative arts of Southeastern Pennsylvania, Wendy gives an illuminating look at our important furniture, along with some family history.

Find this comprehensive and lively video at [www.decorativeartstrust.org](http://www.decorativeartstrust.org). Look for it in the section titled "Online Learning."
